Kindergarten - 3rd grade

11:30 -1pm
Grades 4th - 6th grade

Summer Workshops begin:

- Monday July 9, 2018
- Ending August 10, 2018

Classes meet on Monday, Tuesday, Thursday and Friday each week
One week commitments are required for enrollment

• **July 9-13th OUT OF THIS WORLD** •

The universe is expanding! When you look at the night sky you will see what this week is all about. Outer space is the new ART frontier!

• **July 16-20 FOLK ART OF AFRICA** •

African culture has a long, rich history. We can see it in the products of their ART. Come make clothing, dolls, and musical instruments inspired by the artists of Africa.

• **July 23-27 ANIMAL PLANET** •

We share our planet with thousands of other creatures. For centuries these creatures have been an inspiration for artists. Explore different media while we learn about animals and their environments. What animal will inspire you?

• **July 30-Aug 3 NO BRUSHES ALLOWED!** •

Traditionally people use paintbrushes to create works of art, but what if they didn't? There are many ways to make a painting, come explore how this week. And remember, *no brushes allowed!*

• **Aug 6-10 FAMOUS ARTISTS WEEK** •

Humanity has produced a number of artists who can be seen as cultural "stars". Let's look at their work and make ART inspired by some of the greatest.

• **ALL COURSES TAUGHT BY DELANEY CAVANAUGH, BFA. Art Educator** •
